DETAILED ACTION

1. Claims 1-34 are pending. The previous Office Action is withdrawn pursuant to Applicant's REMARKS.

Claim Rejections - 35 USC § 103

2. Claims 1-34 are rejected under 35 U.S.C. 103(a) as being unpatentable over Moore, US 6,714,121.

Moore discloses a RFID container 12 tracking system. Moore does not specifically disclose the term reusable containers. To have provided the tracking of reusable containers for Moore would have been obvious to one of ordinary skill in the art. The motivation for doing such is that it has been common knowledge to provide reusable containers, e.g. serial numbers on beer kegs, and track such via other mechanisms at a central location point in order to fill each for later use. To have substituted a serial number retrieval system for a RFID system would have been obvious to one of ordinary skill in the art.

3. Further pertinent references of interest are noted on the attached PTO-892.
4. Applicant's Information Disclosure Statement has been reviewed. Note the attached PTO-1449.
